1. To make meeting better
 - Shorten to no > 2 days
 - Don't do ABC's orally-provide a TC "cheat sheet" in the packets that give common acronyms and brief summaries of missions, target audiences, and recent accomplishments.
2. Change to a 3 year cycle and use funding saved to support programs at regional level.
3. Mountain Region would like to use 3 year cycle this way:
 - Year 1 – Plan for a conference in year 2 with conference calls, quarterly meetings (with ATTC on telephone), and 1 face-to-face meeting.
 - Year 2 – Implement, present, and evaluate regional conference for providers around the region.
 - Year 3 – attend national XTC conference and report on our successes.
4. Mountain Region also wants to develop a pocket guide that covers all of our states to cover (for each group):
 - Who we are, what we do
 - Contact information – website, phone, emailTo cover:
